

SOLUTIONS FOR PHYSICIANS

PERSONAL BANKING SERVICES

Vectra Bank offers a suite of products and services designed for your busy schedule. Understanding that your time is, quite literally, money, your Relationship Manager acts as an advocate within the bank – coordinating all your financial needs, from everyday transactions to customized credit solutions. Your Relationship Manager will also work directly with your accountant, attorney, and other advisors you designate giving you added convenience. Our goal is for you to rest easy, knowing that you have a bank partner who can manage your financial affairs effectively. With Vectra Bank Personalized Services, you're one step closer to reaching your financial goals.
