Additionally, for CD with terms of 1 year or less, additional contributions are allowed anytime during the term, as long as the balance remains less than \$100,000. For terms of more than 1 year, additional contributions allowed only at maturity. Refer to the Personal Deposit Rate Sheet and the Time Deposit Confirmation Receipt for terms and conditions.
- (m) Maintenance fee waived if minimum balance to avoid maintenance fee is met OR if relationship checking account is open and in good standing, and combined daily balance in eligible linked personal accounts is \$50,000 or greater on the business day prior to the account statement date. Eligible linked personal accounts include checking (excluding other relationship checking accounts), savings, money market, certificate of deposit, Ultimate CD, IRAs, credit cards, personal loans and lines of credit (excluding mortgage loans and student loans) that are owned or co-owned by the primary account holder of the linked relationship checking account. Combined daily balance is determined by adding the lowest daily balance in linked checking, savings and money market accounts since previous statement plus current balance of linked certificates of deposits and IRAs plus current principal balance in linked eligible credit cards, personal loans and lines of credit (personal, auto, home equity, and home refinance).
