

VECTRA BANK COLORADO

Farmington Market

"The Four Corners area has a rich, historic work ethic. People here work hard for their wages, but yet enjoy a lifestyle that affords them exceptional recreation, a great climate and a fun place to play. Banks in our area enjoy a strong economy, low unemployment and a robust workforce. We are a unique boutique bank, catering to businesses and specializing in commercial and business loans. We have been fortunate enough to double our business in the past few years."
