## **VECTRA BANK COLORADO ADDS RORY WITZEL AS A MORTGAGE LOAN ORIGINATOR**

DENVER – Mortgage professional Rory Witzel joins Vectra Bank Colorado as a mortgage loan originator at its Landmark Branch, located at 5362 Greenwood Plaza Blvd. in Greenwood Village.

In his new position, Witzel is responsible for evaluating the most appropriate mortgage loans for Vectra customers and coordinating the lending process. He also will educate Realtors and other referral partners on the competitive loans and mortgage banking benefits that Vectra offers. An experienced mortgage broker with more than 17 years in the field, he has strong leadership, management and customer service skills.

Witzel joins Vectra after working with various regional mortgage firms in Colorado. His experience working in various divisions within the mortgage industry enables him to efficiently manage the lending process and counsel clients on the best loan options.

With assets of \$2.78 billion, Vectra Bank Colorado is a proactive, customer-focused organization dedicated to real relationship banking. Part of the Zions Bancorporation family of banks, Vectra serves Colorado's small, middle-market and corporate business clients with 42 locations throughout Colorado, and one in Farmington, N.M.
