Account Usage	
Sweep Information	<p>The Premier Sweep Account must be linked to a checking account. Withdrawal Limits	<p>\$15 for each withdrawal after six (6) per month</p> <p>Federal banking regulations allow you six (6) withdrawals by pre-authorized, telephone, or computer transfer to another account or third party during a monthly statement cycle of at least four weeks. However, you may make an unlimited number of withdrawals from your account in person, by ATM, or by mail.</p> <p>The excessive withdrawal fee is assessed if you exceed your withdrawal limits during a monthly statement cycle. If the above limits are exceeded three (3) times in a twelve (12) month period, the account will be closed or changed to a different type of account.</p>
Checks	Checks are not provided or permitted for use with the Premier Sweep Account.

Overdraft Services	
Insufficient Funds (NSF) Fee	<p>\$35 per transaction posted against insufficient funds, whether the bank opts to pay or decline the transaction. A maximum of five fees will be charged per account per business day. No fee will be charged if the account is overdrawn \$5 or less after all transactions post following the close of business.</p> <p>We may, in our discretion, pay any overdraft transaction, though it is our policy to decline an overdraft transaction that is an ATM or point-of-sale debit card transaction. We will not charge NSF Fees for ATM or point-of-sale debit card transactions we decline.</p>
Overdraft Service Fee	\$8 charged every day beginning the fifth consecutive calendar day the account is overdrawn more than \$5, for a maximum of 30 calendar days.

Interest and Payment	
Earns Interest	<p>Yes - This product has a variable interest rate when you keep your balance at \$10,000 or above. See the Vectra Bank Deposit Products Rate Sheet for details.</p> <p>Your interest rate and annual percentage yield (APY) may change at our discretion at any time. The APY assumes that interest paid remains in the account. A withdrawal will reduce earnings. We use the daily balance method to calculate the interest on your account. This method applies a daily periodic rate to the collected balance in your account each day.</p> <p>Interest compounds daily and will be credited to your account monthly. If you close your account before interest is credited, you will not receive accrued interest. Interest begins to accrue no later than the business day we receive credit for the deposit of noncash (checks).</p>

How Deposits and Withdrawals Work

<p>Deposit Funds Availability</p> <p><i>(When funds deposited to your account are generally available)</i></p>	<p>Cash deposited: Next business day</p> <p>Check deposited: Next business day generally, unless a hold is placed</p> <p>Direct Deposit and Wire Transfer: Same business day</p> <p>If a hold is placed on a check deposit, the first \$200 of a deposit of checks subject to a hold will generally be made available the first business day after deposit. We will give you an indication of when the remaining funds will become available. For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and federal holidays. The end of a business day varies by banking center.</p>
<p>Deposit and Withdrawal Posting Order</p>	<p>Transactions are generally posted each business day following the close of business in the following order:</p> <p>First: Credit (deposit) transactions such as deposits by cash or check, ATM deposits, direct deposits, wire transfer deposits, and corrections to your account balance.</p> <p>Second: Debit (withdrawal) transactions received the same business day. We divide debit transactions into transaction-type groups and order transactions within each group chronologically (other than checks, which are sorted by serial number). We then post the transactions in sequence by group type and order. For group types and sequence, other exceptions and details, see your Deposit Account Agreement.</p>
